Notes:

1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 11th February, 2021.

2. In compliance with Regulation 33 of the Securities Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, a limited review of financial results for the quarter ended 31st December 2020 has been carried out by the Statutory Auditors.

3. The Company has granted moratorium upto six months on the payment of installments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on moratorium dated April 17, 2020. Further, period for which moratorium was granted had not been considered for computing past due (DPP) as on December 31, 2020. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.

The COVID-19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has not affected the Company's business operations. Due to lockdown, the Company's disbursement of loans and recovery of dues from its customers have not been affected during the quarter ended December 31, 2020.

Accordingly, The Company has not considered an additional Expected Credit Loss (ECL) provision on Loans on account of COVID – 19 during the quarter ended December 31, 2020. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.
